

At Carters we aim to stock the largest size range available from our suppliers. We aim to have clothing and accessories for everyone no matter their size, large or small. As a general rule French and Italian brands have a more figure hugging fit whilst German and North American brands have a more relaxed fit. If you have any specific concerns regarding size and fit please contact us by phone 0118 959 9022 or email [sales@carters360.com](mailto:sales@carters360.com)
